

**Department of Developmental Pharmaceutical Education**  
**Support Section for Pharmaceutical Education**  
**School of Pharmaceutical Sciences**

**Outline**

We are conducting individual guidance centered on basic courses (organic chemistry, physical chemistry, biochemistry, analytical chemistry, pharmacology) in the Support section for Pharmaceutical Education.

In addition, we are going to hold special lectures several times a year for applicants.

**Faculty members**

Professor: Atsuko Ohashi, Ph.D.

Professor: Naoyoshi Maeda, Ph.D.

Assistant Professor: Yuki Yamaguchi, Ph.D.

**【Education Field 】**

Biochemistry

Organic chemistry

Physical chemistry

Clinical Chemistry

Molecular and Cellular Biology

**【Research Field 】**

Biochemistry

Organic chemistry

Pharmacology
