【概要】

This course is designed to increase the level of oral skills by a multi-media driven approach. Students are placed in a variety of everyday situations in order to practice their oral skills. Listening is a key element for this class and will enhance the development of overall communicative competency.

【学修目標】

To improve the ability to communicate in English with the kinds of conversations that the student may have when speaking with individuals from other countries, either here in Japan or when traveling abroad. Activities and exercises are all designed to give the student practice with vocabulary, grammar and common expressions needed to have basic conversations in English.
