

《担当者名》看護福祉学部准教授/シヨーン ホガード

【概要】

This course is designed to practice various English skills. Students will refresh their understanding of vocabulary and grammar, and use it to try to communicate effectively.

【学修目標】

To improve the ability to communicate in English with the kinds of conversations that the student may have when speaking with individuals from other countries, either here in Japan socially, at work, or when traveling abroad. Activities and exercises are all designed to give the student practice with vocabulary, grammar and common expressions needed to have basic conversations in English.
